DAVID J. SCOTT COMPANY

Dependable Bulbs

CORFU, NEW YORK

GROW IN YOUR HOME *"Scott's New Potful of Springtime"* AVAILABLE UNTIL APR. 10th

This sensational offer has met our highest hopes shown by the many complimentary letters from our customers, which describe it as "DELIGHTFUL".

Beautiful Tulips in single glowing red, glistening pure white, flaming orange, Easter yellow, double delicious pink, and cheerful double yellow, or dainty baby blue Grape Hyacinths which are full of blooms that last a month.

Send these pots of scientifically grown and established bulbs as GIFTS. All that is required is to place in a cool light window and keep watered. You will be thrilled with these sturdy 2" or 3" bulbar

sprouts which almost seem to grow and develop as you look at them. In about three weeks your reward will be a pot of lovely flowers.

These growing bulbs are planted in a heavily waxed paper pot in natural wood finish, and are specially packed so that they can be shipped anywhere in the U.S.A. Absolutely guaranteed, if not entirely satisfied full purchase price will be refunded.

Specify date to arrive, the kind and color. Because we are sold out of many varieties we have curtailed this list. However, next year we will again have our complete list plus some new additions.

Please enclose check or money order. ONLY \$1.50 postpaid. 4 Potsful \$5.50. Sorry no C. O. D.'s.
